SPEAKER :
Tatiana Roberts
Community Manager

Tatiana Roberts is one of the 150 Community managers in the country bringing forward financial health education to the community as part of our Racial Equity Commitment. Tatiana facilitates financial health workshops for individuals, schools, families and small businesses. She collaborates with nonprofits to provide financial education and shares information on wealth building. Tatiana is an advocate for closing the racial wealth gap, the community and financial health. She believes financial health will significantly impact families as they try to balance their budget, buy a home, fund their children's education, or ensure an income for retirement.
