

WEBINAR SERIES

REBUILDING HOMES BUSINESSES AND LIVES

AFTER CALIFORNIA WILDFIRES 4 SESSIONS (4 X 60 MIN)

Join us for an informative webinar presented in partnership with:

Whitestone | Pre-Construction Management | Land Use Professionals

This session provides a comprehensive guide to navigating rebuilding efforts with County and City agencies, including detailed rebuilding guides, executive orders, and essential resources.

Jake Malott
Principal & Founder
Whitestone

Jake Malott is a Land Use professional with 10 years of experience managing approvals in City of LA and its surrounding jurisdictions. He graduated University of Cincinnati from the college of Planning. His experience in Los Angeles has led to approvals for thousands of permits and entitlements in Los Angeles. He's an urbanist and advocate for small business, cultural development. His company WHITESTONE brings a diverse and knowledgeable group of professionals to analyze and manage pre-construction throughout Los Angeles County.

- **Learn from Experts:** Get insights from experienced professionals specializing in post-wildfire recovery.
- **Understand Rebuilding Processes:** Explore step-by-step strategies to streamline your efforts.
- **Discover Available Resources:** Access tools and support to rebuild your home or business effectively.
