Uplifting Your Journey

Let's celebrate women and girls with disabilities, aging women, and the mothers, caregivers, and advocates who support them. We're bringing together this diverse community to build connections, share experiences, and uplift one another.

Engaging Speakers

Learn from Tiffany Yu, founder of Diversability, a community of 80K+ advancing disability pride and leadership, and Katie Bindrup, Esq., an attorney and special education advocate empowering families through her platform, Adjurication, to advocate for children's rights and access to educational opportunities.

Resource Fair

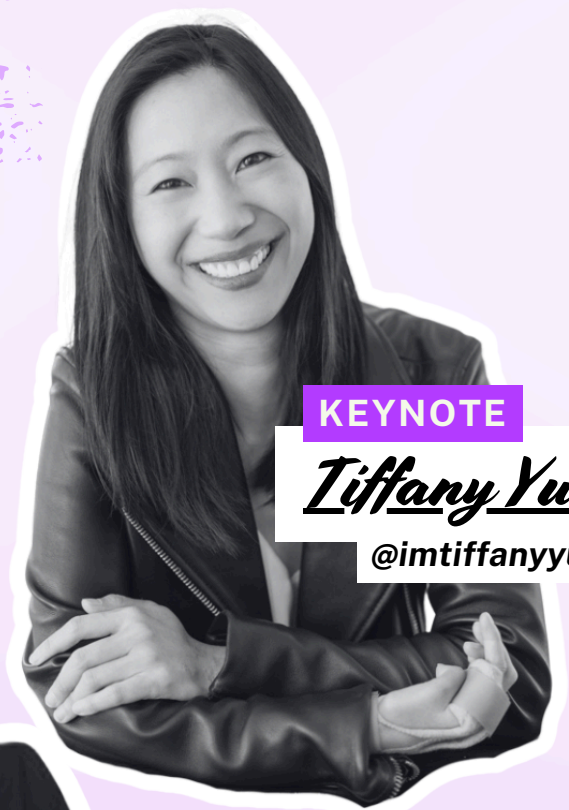

Connect with community organizations offering disability resources, educational materials, and ongoing support.
